⚑ Opencart E-Commerce Website Design
Opencart is considered the most user- friendly e-commerce tool on the
web. It offers simple easy-to-use and visually attractive interface to
your e-commerce portals. Ideal for small business models, Opencart can
generate sales reports and effectively add multiple tax rates
alongside every product category. Opencart's general support and
community forums online have been supported by thousands of developers
for extensive assistance.

⚑ Advantages of Opencart for your e-commerce website.

✔ Unlimited entries of products and categories.

✔ Multi-currency and multi-language options.

✔ Emergency back-up and restore tools.

✔ Embedded with product reviews and ratings.

✔ Quantity discount based on the quantity of products, ordered by the
customer.

✔ Search engine optimized support for custom products and categories.
